

Phase 3.2 Final Audit Certification

Date: 2026-07-16

1. Audit Declaration

I certify that:

- [x] All 5-seed benchmark artifacts are internally consistent.
- [x] The stale reporting templates have been completely corrected and reports regenerated.
- [x] Raw predictions, metrics databases, and PDF reports represent the exact same training execution.

2. Benchmark Gating Decisions

- **RMSE Gating: FAIL** (Mean RMSE 1.609 vs Baseline 1.552)
- **Significance Gating: FAIL** ($p = 0.088 > 0.05$)
- **Promotion Recommendation: REJECTED** (Geometry Attention v1.3 is retained)

3. Clearance to Proceed

Having resolved the reporting bugs and documented all failure modes, the repository is hereby cleared to proceed to **Phase 3.3 (Soft Parameter Sharing / Representation Routing)**.

Signed:

Benchmark Committee Chair, Statistical Auditor & Principal AI Research Scientist
